

#306 Sports Hall of Fame Nomination Form

The #306 Sports Hall of Fame was initiated by Bob Lewis in the late 1990's. He saw a need to recognize builders, coaches and athletes that had contributed volunteer hours and energy to ensuring that Gray (and area) had active sporting communities.

Over the years individuals and teams have been recognized for their achievements, whether locally, provincially, nationally or on the world stage.

If an individual has lived in the highway #306 area (Estlin, Gray, Riceton, Bechard) and has contributed to sport and/or community they are eligible to be considered.

There are no set dates for nominations or inductions.
